Dear David,

Re: Downsizing Project

Thank you for assisting us in our major move from our large Toorak home to a smaller home, following the departure of all of our children.

Having decided to take the opportunity to both declutter and downsize at the time of this move, we have been delighted both with your knowledge and expertise, and the high quality of the staff you have provided.

Your "can-do" approach to solving problems also suited our needs and resulted in a significantly less stressful move than would otherwise have been the case.

We would have no hesitation in recommending you and your team to anybody undertaking this type of project.

Kind regards,

Dia and Sumita Sharma
